

MONSTER QUEST

THE COMPLETE SEASON ONE

The search is on for the earth's most elusive and mysterious monsters

Each episode of MONSTERQUEST launches an expedition to uncover a famous mystery creature. Scientists use modern technologies like DNA testing and digital photo analysis to evaluate decades of physical and photographic evidence, while field researchers search for the beast itself. Bigfoot, aquatic dinosaurs, giant squid, mutant canines, man-eating catfish, and more will be investigated like never before.

- A new series from HISTORY® covering 13 fan-favorite creatures, from the Loch Ness Monster to the Swamp Beast to Bigfoot and more.
- A top-rated series on HISTORY® filled with interviews with eyewitnesses and renowned scientists to analyze the intersection where fact meets legend.
- New sleek SteelBook™ packaging makes this DVD set a beautiful collector's item.
