

LATHE OF HEAVEN

ON DVD AND VHS

Ursula K. LeGuin's visionary 1971 tale of reality reshaped is one of the acknowledged classics of science fiction. Now, the chilling tale comes alive in a state-of-the-art production starring James Caan, Lukas Haas, Lisa Bonet, and David Strathairn.

George Orr is haunted by dreams that become reality. In a world where pollution has destroyed the ice caps and plagues rage unchecked, a psychiatrist sees Orr's power as a way for humanity to escape its bleak fate. But as each attempt to direct Orr's dreaming ends in failure, the doctor's obsession with playing God grows stronger.
