

CRISS ANGEL MINDFREAK HALLOWEEN

Magic's biggest star is back with a mystifying Halloween spectacular

In the wake of the chart-topping success of *CRISS ANGEL: MINDFREAK* on television and DVD, the master illusionist himself descends upon Hollywood's famous Magic Castle and his hometown in New York to deliver the most cutting-edge and death-defying demonstrations in magic today. Criss Angel crashes Joaquín Ayala's performance when he jumps into the body of the unsuspecting magician in the never-before-seen "Matrix" effect, before hitting amazed audiences with mysticism and mentalism from the Magic Castle stage. Before *HALLOWEEN* ends, Criss will be shackled, handcuffed, and nailed into a pine casket en route to an industrial BioChipper as friends, fans, and family look on in horror.

- After the chart-topping success of *Criss Angel Mindfreak: The Complete Season One*, Criss Angel returns to DVD with all new tricks—and treats.
- Criss Angel has a proven loyal fan following with deep pockets.
- The grand finale finds Criss in his most death-defying predicament yet.
- New-to-DVD bonuses include two best-of episodes from *Mindfreak Season One*.
