

THE SMASHING MACHINE

DVD Bonus:
FIGHT DAY
The exclusive new
film featuring
Renzo Gracie

A sport so dangerous it was once banned in the U.S., no-holds-barred fighting is simple in concept and savage in execution: one ring, two fighters, and no rules. In this exciting, graphic documentary, the camera takes an unflinching look at the world of extreme fighting through the eyes of the sport's top fighter, Mark "The Smashing Machine" Kerr.

The number one ranked fighter in the world, Mark Kerr is seemingly invincible inside the ring, and yet a dysfunctional personal life and alarming dependency on drugs have set him on a collision course towards self-destruction. Meanwhile, Kerr's friend and cornerman Mark "The Hammer" Coleman prepares to battle his own demons. Deflated following a string of losses and injuries, Coleman now has a family to support, and is back in the game determined to win big. As Kerr and Coleman each struggle for personal redemption, the true bonds of their friendship are put to the test when it appears they may be gunning for the same prize...

- Featuring the ultimate who's who of extreme fighting, including **Mark Kerr**, **Mark Coleman**, **Bas Rutten**, **Ricco Rodriguez**, and **Renzo Gracie**.
- With an average of over 2.8 million viewers, **THE SMASHING MACHINE** was the highest rated *America Undercover* film ever to air on HBO.
- No-holds-barred fighting is one of the most successful Pay Per View sporting events ever. *Pride FC* boasts over 100,000 PPV buys per event.
