

THE 2012 ANTHOLOGY

HISTORY examines the science behind the 2012 doomsday prophecy as the ominous date approaches

- In this comprehensive collector's set, HISTORY explores numerous end-of-the-world scenarios from various cultures and eras including:
 - A massive cosmic collision
 - An Armageddon-like religious showdown
 - Nuclear arsenals
 - Global warming
 - Futuristic threats like nanotechnology, cyborgs, and robots
- As it was for the recent May 21st day of Rapture, this topic will be top of mind for consumers all year long as the Mayan Calendar predicts the end of the world will be on December 21st, 2012.
- Apocalyptic-themed programming has always been a hit for HISTORY – *Nostradamus 2012* and *Doomsday 2012* are among the top 5 highest-rated specials in network history, premiering to almost 4 million viewers each.
- Over 11 hours of illuminating, thought-provoking programming in this brand new set.

SYNOPSIS This definitive Doomsday set examines the many theories about the end of the world and looks for the possible truths behind the myths. It also reveals the many modern day methods of destruction and disaster theories from very real (nuclear arsenals) to controversial (global warming) to futuristic (nanotechnology, cyborgs, and robots).
