

URBAN LEGENDS

THE COMPLETE SEASON ONE

BIO™'s sensational hit series arrives on DVD

The world is full of urban legends—tales that spread like viruses around the planet, mutating and evolving until no one knows if they are true or simply legend.

This collection from BIO Channel presents stories that have taken just such a journey. They are so hard-wired into our DNA, we never think to question their truth. A few examples: universities routinely award a 4.0 grade point average to students who have suffered the loss of a roommate. A businessman awakes from a one-night stand in a tub of ice water to find his kidney has been stolen. A killer leaves behind a message written in blood, "Aren't you glad you didn't turn on the lights?"

Each episode of URBAN LEGENDS presents three such tales, some shocking, some amusing, some frightening, some just bizarre. The catch? Only one of the stories is true. All is revealed at the end of the show.

- Timed to street with the finale of *Season 2*, which has shown an impressive 63% ratings growth over SEASON 1.
- Includes all 15 half-hour episodes for a total of 45 crazy stories, such as: the tale of the vicious 'Kidney Thieves' gang from Rio de Janeiro; the man from London who was run over by a steamroller and lived; and the bizarre case of a woman locked by mistake in an asylum for five years.
- Also includes 45 bonus Mini-Myths.
