

THE HISTORY CHANNEL® PRESENTS

THE RACE TO THE MOON

ON DVD

On July 20, 1969, one billion awestruck people watched Neil Armstrong's first steps on the moon, but very few realized how close it came to disaster.

THE HISTORY CHANNEL® PRESENTS: THE RACE TO THE MOON delivers the ultimate 35th anniversary celebration of this world-changing event. From the early failures and triumphs in the space program to a futuristic glimpse at the next wave of space shuttles, this is a comprehensive overview of America's pioneering commitment to space exploration.

Failure Is Not An Option—Retired NASA Flight Director Gene Kranz recalls the “whiz kid” atmosphere of the space program's early days.

Code Name: Project Orion—Explore the grand dreams of the top-secret U.S. space program in the 1950s.

Modern Marvels®: Apollo 13—Revisit the unexpected disaster that left the crew of Apollo 13 lost in space.

Modern Marvels®: Space Shuttle—The complete story of the space shuttle program, from triumph to tragedy.

- Celebrate the 35th anniversary of the lunar landing with this incomparable collector's commemoration of the early days of the space race.
- Release will coincide with the news blitz preceding the 35th anniversary of Neil Armstrong's moonwalk.
- Includes four acclaimed documentaries—nearly four hours of programming—for under \$30!
- Recent Mars landings and President Bush's vision for U.S. Space exploration has created a renewed interest in space.
- From THE HISTORY CHANNEL® Presents—a collection of the best programming from THE HISTORY CHANNEL® that provides a comprehensive, insider's look into the events that have changed the course of history.
