The classic sci-fi adventure series from Gerry Anderson returns in a sleek new set at a great new value

SPACE: 1999, the seminal sci-fi series from legendary producer Gerry Anderson (*Thunderbirds*, *UFO*), is now available at one third of its original size, in all-new slim-case packaging at an SRP of less than \$6 per disc. All 48 original digitally re-mastered episodes and hours of bonuses are included, plus an extra bonus disc filled with additional footage, rare vintage interviews, audio commentary, and much more. With its progressive plotlines, an outstanding cast, and astonishing special effects from Oscar® winner Brian Johnson (*Alien*, *The Empire Strikes Back*), SPACE: 1999 has secured its place as one of the most thought-provoking series of the 20th century—and beyond.

- All 48 original episodes of the cult hit series from legendary sci-fi producer Gerry Anderson are now available in new, super-slim packaging and priced at under \$6 per disc.
- Bonus disc includes 3 remastered episodes with audio commentary, a fan-produced series ending, alternate sequences from key episodes, and more.
- The star-studded cast includes Oscar®-winner Martin Landau (*Entourage*, *Ed Wood*), Emmy®-winner Barbara Bain (*CSI*, *Mission: Impossible*) and a long list of celebrated guest stars.
