THE Brandon Teena STORY

Art Not Final

The classic hit film that inspired the Oscar®- winner *Boys Don't Cry*

To his girlfriends, he was the perfect boyfriend. To his killers, he was a gender-bending freak. To the law, he got what he deserved. Ultimately, Brandon Teena, was an American tragedy.

When it arrived on the big screen in 1998, THE BRANDON TEENA STORY was powerful, intense and intimately personal—audiences were stunned and outraged by this chilling portrait of intolerance. Inspiration for the Oscar®- winning film *Boys Don't Cry*, the documentary went on to be an international theatrical hit and has since its earned status as one of the seminal documentary films of the past 10 years.
