FIREBALL XL5

COMPLETE DVD SET

GERRY ANDERSON'S RARELY-SEEN CLASSIC OF SCI-FI SUPERMARIONATION

In the year 2063, the World Space Fleet is extending mankind's reach beyond the solar system. Leading the charge is the incredible spaceship Fireball XL5, commanded by the dashing Colonel Steve Zodiac. Steve and his steadfast crew patrol the vast reaches of Sector 25, where strange races inhabit distant planets.

An early masterpiece from producer Gerry Anderson (*Thunderbirds*, *Space: 1999*), FIREBALL XL5 has rarely been seen since its 1962 broadcast. This exclusive DVD collection features all 39 black and white episodes of the pioneer program that paved the way for the Supermarionation classics to come, digitally restored and presented in their original production order.

- An early classic of Supermarionation from producer Gerry Anderson (*Space: 1999*, *Captain Scarlet*).
- All 39 episodes available together for the first time—exclusively on DVD.
- Digitally restored, remastered in Dolby 5.1 surround sound, and presented in its original production order.
- Market alongside the other popular Gerry Anderson Supermarionation shows available from A&E Home Video—*Thunderbirds*, *Captain Scarlet*, and *Stingray*.
