

# GENE SIMMONS FAMILY JEWELS

THE COMPLETE  
SEASON 1

## Step inside the suprisingly normal home of a legendary rock demon

GENE SIMMONS FAMILY JEWELS is the story of a uniquely American family fully unveiled in the original thirteen episodes from the debut season on DVD. FAMILY JEWELS steps inside an extraordinary household where former KISS front man Gene Simmons and Playmate of the Year Shannon Tweed have raised two charming, well-behaved teenagers, Nick and Sophie. Or is it the other way around? From a surprise birthday party that turns into a surprise wedding, to driving lessons that take a wrong turn for father and son, to horseplay that puts Sophie in hot water, day-to-day family life has never been so outrageously unpredictable—and so surprisingly touching.

- Starring American pop-culture legend and former KISS rocker Gene Simmons, actress/model/Playmate of the Year Shannon Tweed, and their surprisingly normal teenagers.
- FAMILY JEWELS is the centerpiece of A&E's summer reality series lineup, supported by a multi-million dollar national advertising campaign.
- Bonuses include the rough cut of the pilot episode for FAMILY JEWELS and nearly 60 minutes' worth of interviews and featurettes.
