

KING

Go beyond the dream to discover the man

Forty years after Martin Luther King's assassination, HISTORY® with newsman Tom Brokaw, takes viewers through the extraordinary life and times of America's civil rights visionary. KING goes beyond the legend to portray the man, the questions, the myths and, most importantly, the relevance of Dr. King's message in today's world. Includes a rare interview with his son, Martin Luther King III, as well as associates from the civil rights campaigns and contemporary figures such as former President Bill Clinton, Condoleezza Rice, Bono, Forest Whitaker, Chuck D and others.

- Timed to release shortly after the 40th anniversary of the assassination of Martin Luther King, Jr. (April 4, 1968).
- Backed by an extensive marketing campaign, this feature-length documentary includes newly declassified FBI documents that prove MLK was under constant FBI surveillance until his death.
- Tom Brokaw gives a fresh perspective on King's life and brings the civil rights battles of the '50s and '60s into focus with today's realities.
- Includes a rare interview with Martin Luther King III as well as Bill Clinton, Condoleezza Rice, Bono, and others.
