- Creative and faithful adaptations of classic, award-winning children's books from distinguished authors.
- The Scholastic Video Collection™ has proudly won more awards than any other children's video line, and these titles are no exception, winning 1st prize in the International Animation Film Festival and the ALA Notable Book and Video Awards.
- The DVDs feature extra bonus stories, and special features including a kid-friendly Auto-Play function to start the story right away, and a Read-Along option that gets kids reading as they watch the story.
