## FIGHTING CRIME AT THE SCENE OF THE MIND

Agent Rachel Burke is the newest PROFILER to join the elite Violent Crimes Task Force. Their mission is simple but dangerous—investigate high-profile crimes throughout the country. Serial killers, arsonists, assassins, bombers, and perpetrators of hate crimes are just some of the foes they're up against. But with Rachel's uncanny ability to visualize a crime through the eyes of the victim as well as the killer, justice will ultimately have its way.
