

# AMERICA'S Castles

## The Grand Tour

AMERICA'S CASTLES takes a grand tour of the nation's most extraordinary homes. Lavish, sprawling, and sometimes whimsical, these one-of-a-kind landmarks astonish with their architectural inventiveness and exuberantly decorative splendor. Built between the turn of the 20th century right up to the present day, these remarkable estates and mansions stand as the crown jewels of America's most rich and famous.

From Rockefeller's spectacular country estate in the Hudson Valley to Donald Trump's Mar-A-Lago in Palm Beach, Florida, AMERICA'S CASTLES opens the doors to dozens of exclusive addresses. Guided by curators and directors, cameras glide over stunning interiors brimming with artistic masterpieces and hand-made furnishings of rare woods and marbles, while a fascinating blend of cultural and biographical details tells the full story behind these grand estates.

Available on DVD for the first time, AMERICA'S CASTLES features the following programs: *Grand Plantations*, *Florida's Grand Estates*, *Hudson River Valley Estates*, *Newport Mansions*, *Adirondack Camps*, and *Gold Coast Estates*.
