

WEIRD U.S.

Real Tales of the Bizarre

THE HISTORY CHANNEL® takes us into the cult phenomena of WEIRD U.S. with 3 brand new DVD releases. Based on the best-selling book, *Weird U.S.*, these guided tours of some of the wackiest places in America are hilarious and unforgettable trips back into history.

WEIRD U.S. VOLUME 1, "Strange But True" and "Road to Weirdsville," travels from sea to shining sea, and stars a cast of characters both ghostly and surreal.

In WEIRD U.S. VOLUME 2, *Weird Worship* and "Weirdly Departed," hosts Mark and Mark enter the realm of the otherworldly, where religion is as loosely defined as the afterlife is here and now.

And WEIRD U.S. VOLUME 3, "Rebels and Traitors" and "Crimes and Punishment," is all about life out of bounds—legally speaking—and the great American tradition: born to rebel.

From wallets made out of human skin to retirement communities for sideshow performers to graveyard getaways, this is adventure too weird for words.

- Based on the best-selling book, *Weird U.S.*, this series brings you face-to-face with the odd places and people in all corners of the country.
- Hosts Mark Scurman and Mark Moran have had a cult following ever since their magazine "Weird N.J." and subsequent book grew into a phenomena.
- In each episode, Mark and Mark visit places around America looking for stories that are creepy, bizarre, unexplained, and just plain weird.
