The Complete  
**SEASON THREE**

## An all access pass into America's most feared and powerful gangs

They're fierce, brutal and ruthless—and bent on leaving their deadly mark on the streets of America. From the inner cities to the suburbs, from the West Coast to the East, American gangs have a rich and often terrifying history—and we explore the savage bloodlines of some of the worst.

With names like La Gran Familia, Tiny Rascals, Satan Disciples, the Crips, and Bandidos, these gangs can be found from Atlanta to Fresno, Chicago, Minneapolis, New Orleans, and even Salt Lake City. They rob, kill and terrorize, shaping their times and their turf. HISTORY™ infiltrates unbelievably dangerous terrain to provide exclusive interviews and rarely seen footage. Both former and current members offer solid insight into why gangs exist, how they operate, their increasingly destructive methods, and the alarming rate at which they're spreading to suburban and rural areas. It's chilling, it's raw, and most of all, it's real.
