

THE UNIVERSE

THE COMPLETE SEASON THREE

History and science collide in this best-selling franchise

Immerse yourself in more spectacular space exploration with SEASON THREE of this epic series from HISTORY™. A virtual collision of astronomy and history, each enlightening episode utilizes strikingly realistic computer recreations and animations to provide unprecedented insight into the mysteries of our universe, and beyond.

See how NASA is arming itself with the latest technology to pre-empt an apocalyptic attack in "Deadly Comets and Meteorites." Learn how scientists envision reproduction and human development in "Sex in Space," and explore startling new evidence showing the existence of universes other than our own in "Parallel Universes."

From bizarre clouds to the hypothetical Planet X, from space disasters to space sex and the possibility of terrifying cosmic collisions, experience space in a whole new way—not through a telescope or textbook, but firsthand. With THE UNIVERSE, you'll feel like you've traveled to the edge of the unknown.

- THE UNIVERSE has a cumulative audience of over 50 million viewers and is backed by a national marketing campaign that includes movie theater advertisements, print and online advertising and extensive social marketing.
- This top-rated franchise was the number one best-selling HISTORY series on DVD in 2008.
- Featuring state-of-the-art computer graphics and stunning NASA footage, HISTORY presents another visually arresting, epic journey across the cosmos.
