Ellen DeGeneres is the only woman today who can claim the title of America's favorite comedienne!

With her winning smile and hilarious motor-mouthing, Ellen DeGeneres rose from stand-up comedian beginnings to become a well-loved icon of good-natured fun. DeGeneres, however, first made a name for herself playing Ellen Morgan, a neurotic bookseller who frequently and hysterically gets lost in the dating world.

Now, fans old and new can catch all 11 episodes from Ellen's debut season—with two bonus "reclaimed" episodes—a sure bet for de-generous laughs.

- Starring Ellen DeGeneres, hostess of the top-rated daytime talk show, star of Finding Nemo, revered stand-up comic, and one of Entertainment Weekly's Top Ten Comedians of 2004.
- ELLEN ran for over 100 episodes, winning Emmy®, People's Choice, Cable ACE, and Peabody awards.
- ELLEN was nominated for Golden Globe®, American Comedy, and Screen Actors Guild awards.
- Includes the rare pilot episode, plus two reclaimed episodes filmed during the first season, but broadcast out-of-order during season three.
