Extraordinarily empowering and heartbreakingly funny, the Sundance favorite V-DAY: UNTIL THE VIOLENCE STOPS chronicles how Eve Ensler's hit Broadway solo show *The Vagina Monologues* grew into V-Day, an international grassroots movement dedicated to stopping violence against women and girls. The first of its kind, *The Vagina Monologues* has been widely recognized as “a celebration of women's sexuality and a condemnation of its violation” (*The New York Times*) and praised as “frank, humorous and moving” (*Chicago Tribune*).

Featuring V-Day benefit performances of *The Vagina Monologues* and emotionally charged interviews with Rosie Perez, Salma Hayek, Rosario Dawson, and Jane Fonda, director Abby Epstein's UNTIL THE VIOLENCE STOPS is a moving celebration of community awareness that leaves us with the hope that change can happen.

- An audience favorite and standout at the Sundance Film Festival, 2004.
- Television Premiere on *Lifetime*, February 2004.
- A huge hit, Eve Ensler's *The Vagina Monologues* enjoyed a 4-year sold-out run off-Broadway. The play was filmed to high acclaim for HBO and quickly evolved into a national phenomenon with myriad productions opening across the country.
- Featuring Appearances by Jane Fonda, Salma Hayek, Rosie Perez, Rosario Dawson, and others.
