SYNOPSIS The very name of King Arthur evokes a whole world of chivalry and romance, of gleaming castles, gallant knights and beautiful ladies. With the attributes of a god and the failings of a man, Arthur is the perfect hero for all people at all times. Here, HISTORY™ takes an in-depth look at the romantic images of King Arthur and his Knights of the Round Table that have epitomized the notion of chivalry. We try to separate the truth from the legends and join Arthur and his Knights in the famous quest for the Holy Grail - Christ's cup from the Last Supper.
