### The World's Smallest Secret Agent!

DangerMouse is the most diminutive secret agent in the world—not to mention the funniest. Now, from the famed animation studios of Cosgrove Hall Productions (*The Wind in the Willows*, *Count Duckula*), all ten seasons of his groundbreaking, side-splitting, globetrotting cartoon adventures are available for the first time ever in a single box set. DANGERMUSE: THE COMPLETE SERIES features all 92 episodes from the pop-culture-savvy UK serial on 9 DVDs, plus the never-aired “lost” pilot episode, *Count Duckula* episodes, theme song karaoke, and other rarities. This collection of miniscule adventures in animation is a massive cult hit—and a treat for kids of all ages.

- All 92 episodes are available in one collection for the first time—in shelf space saving eye-catching packaging.
- SRP is 40% off purchasing the mini-sets separately.
- From the acclaimed Cosgrove Hall—the company behind *The Wind in the Willows*, *Count Duckula*, and other animated classics.
- More fan inquiries are submitted about DANGERMUSE than any other A&E Home Video TV on DVD release.
- Bonuses include the “lost” pilot episode and theme song karaoke.
