# RESIDENT ALIEN

A FILM BY JONATHAN NOSSITER

"a head on collision of reality and fiction...  
wry, off beat, and touching"

## A wickedly funny romp with Quentin Crisp

This hilarious story chronicles the adventures of cult figure Quentin Crisp, a flamboyant and eccentric Brit (and author of the acclaimed book *The Naked Civil Servant*), in his madcap dash across the margins of New York in the pursuit of fame. A modern Oscar Wilde, he is the unbelievably witty and charming star of this intelligent and unconventional film.

Crisp, with his purple hair, dandified outfit and eye shadow, traipses through downtown Manhattan, assembling a doting fan club of artists and eccentrics, including Andy Warhol superstar **Holly Woodlawn**, elderly sex prodigy **Felicity Mason**, **Sting**, playwright **Robert Patrick**, and actor **John Hurt**.

With Crisp now deceased, *RESIDENT ALIEN* stands as a living testimony to one man's singular gift to the world—himself.

- Classic documentary featuring the last days of bohemian New York City with cult figure **Quentin Crisp**.
- From award-winning filmmaker Jonathan Nossiter (*Mondovino*).
- Narrated by Academy Award®-nominated actor **John Hurt** (*Alien*, *Dogville*) and featuring rock-star **Sting**.
- Tremendous critical acclaim across the board including raves from *Variety*, *Hollywood Reporter*, and *The Boston Globe*.
