They are the people we love to hate, and never before have they been so fascinating. You know they've got you when you find a ticket tucked under your windshield, a yellow boot clinging to your car's wheel, or when you can't find your car at all.

Making drivers' wheels spin is all in a day's work for the men and women of the Philadelphia Parking Authority—from parking enforcers to tow truck drivers, the PPA crews are fearless and funny as they get the job done. Intense, humorous, and always emotional, PARKING WARS is an exclusive behind-the-scenes ride with the people of the parking authority as they manage the chaos of every driver's nightmare—parking!
